DOWNTOWN w.m. Tony Hatch

4/4 1...2...1234

When you're a-lone and life is making you lonely you can always go- down-town

When you've got worries all the noise and the hurry seems to help I know- down-town

Linger on the sidewalks where the neon signs are pretty

Listen to the music of the traffic in the city, how can you lose?

CHORUS:

The lights are much brighter there you can for-get all your troubles forget all your cares and go

Down -town where all the lights are bright, down-town waiting for you tonight

Down- town it's gonna be alright now.....

1234 1234

Don't hang a-round and let your troubles sur-round you there are movie shows down-town

Maybe you know some little places to go to where they never close down-town

Listen to the rhythm of a gentle bossa nova,

You'll be dancing with it too be-fore the night is over, happy again.....
