## For No One Tab Chords And Lyrics By The Beatles

```
Α
                A/Ab
Your day breaks, your mind aches
Gbm
          Gbm/E
You find that all the words of kindness linger on
When she no longer needs you
                A/Ab
She wakes up, she makes up
Gbm
            Gbm/E
                               D
She takes her time and doesn't feel she has to hurry
She no longer needs you
                       Gb7
And in her eyes you see nothing - No sign of love behind the tears
        Gb7
                                                    Esus E
Cried for no one - A love that should have lasted years
                A/Ab
You want her, you need her
             Gbm/E
And yet you don't believe her when she said her love is dead
You think she needs you
Break - A - A/Ab - Gbm - Gbm/E - D - G - A
                       Gb7
                                Bm
And in her eyes you see nothing - No sign of love behind the tears
                                                    Esus E
        Gb7
Cried for no one - A love that should have lasted years
                A/Ab
You stay home, she goes out
             Gbm/E
                            D
She says that long ago she knew someone but now he's gone
She doesn't need him
