Chorus:

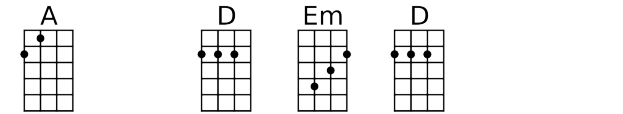

A D Em D

/// // /// //

Louie Louie, oh no
Louie Louie, oh baby

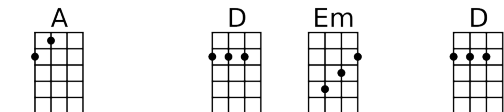

A D Em D

/// // /// //

Me gotta go Aye-yi-yi-yi, I said
Me gotta go

A D Em D

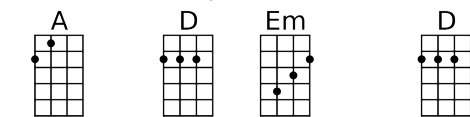

Fine little girl waits for me

A D Em D

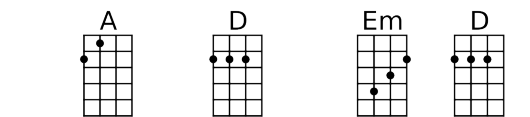

See Jamaica, the moon above

A D Em D

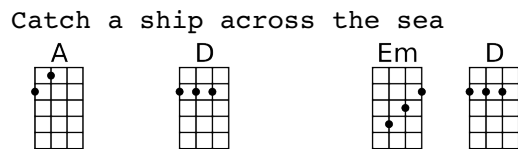

Catch a ship across the sea

A D Em D

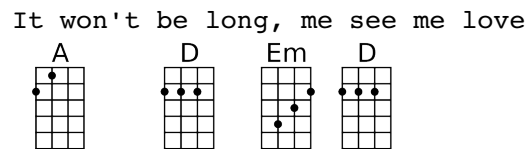

It won't be long, me see me love

A D Em D

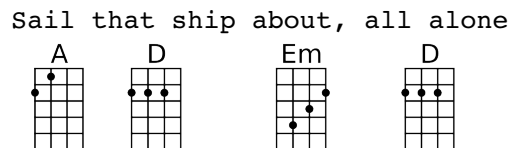

Sail that ship about, all alone

A D Em D

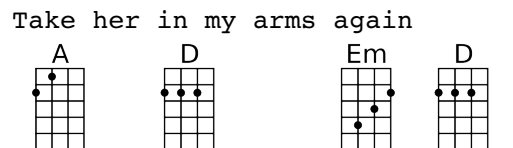

Take her in my arms again

A D Em D

Never know if I make it home

A D Em D

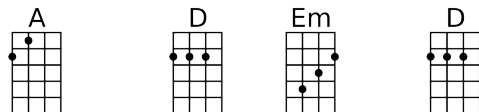

Tell her I'll never leave again

(Chorus)

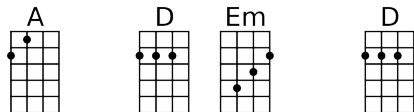

(Chorus)

A D Em D

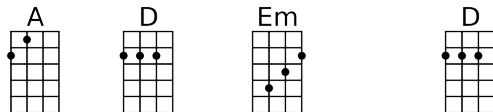

Three nights and days I sail the sea

A D Em D

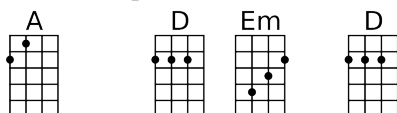

Think of girl, constantly

A D Em D

On that ship, I dream she's there

A D Em D

I smell the rose in her hair.

(Chorus)
