Intro - D - D7 - C - A# - G - C - G - C

I'm gonna wait til the midnight hour  
That's when my love comes tumbling down  
I'm gonna wait for the midnight hour  
When there's no one else around  
I'm gonna take you girl and hold you  
And do all the things I told you  
In the midnight hour  
Yes - I am ... oh yes - I am

I'm gonna wait til stars come out  
And see that twinkle in your eyes  
I'm gonna wait til the midnight hour  
That's when my love begins to shine  
You'll be the only - girl I know  
And really love you so  
In the midnight hour  
Oh yeah --- in the midnight hour

Break ---G - C - -G - C - G - C - D7 --- G - C - G - C - G - C - F - D7

I'm gonna wait til the midnight hour

just you and I -- oh baby  
just you and I -- no one around  
just you and I -- Im gonna hold you
