

## Takin' Care of Business (BTO)

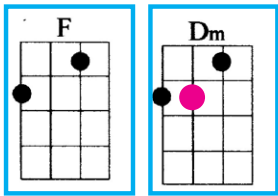

**INTRO: C Bb F 5x \***

{C} You get up every morning, from your {Bb} alarm clock's warning,  
take the {F} 8:15 into the {C} city

There's a whistle up above, and people {Bb} pushing, people shoving,  
and the {F} girls who try to look {C} pretty

{C} And if your train's on time, you can {Bb} get to work by nine,  
and start your {F} slaving job to get your {C} pay

{C} If you ever get annoyed, look at {Bb} me I'm self-employed,  
I love to {F} work at nothing all {C} day

And I'll be {C} Taking care of business, {Bb} every day

{F} Taking care of business, {C} every way

{C} I've been taking care of business, {Bb} it's all mine,

{F} taking care of business, and {C} working overtime

**Work out! (Repeat C-Bb-F progression during lead, if there is one!)**

{C} If it were easy as fishing, you could {Bb} be a musician,

if {F} you could make sounds loud or {C} mellow

{C} Get a second-hand guitar, chances {Bb} are you'll go far,

if you {F} get in with the right bunch of {C} fellows

{C} People see you having fun, {Bb} just a-lying in the sun,

{F} tell them that you {C} like it this way

{C} It's the work that we avoid, {Bb} and we're all self-employed,

we {F} love to work at {C} nothing all day

**..And we be (CHORUS -- Repeat Verse 1x -- Repeat CHO 2x)**
