

True Colors

Cyndi Lauper (Tom Kelly, Billy Steinberg)

Intro

Am G C F
Am G C F

You with the sad eyes

Don't be discouraged

Oh I realize

It's hard to take courage

In a world full of people

You can lose sight of it all

And the darkness inside you

Can make you feel so small

Chorus

But I see your true colors

Shining through

I see your true colors

And that's why I love you

So don't be afraid to let them show

Your true colors

True colors are beautiful

Like a rain - bow

Am G C F

Show me a smile then

Don't be unhappy,

Can't remember when

I last saw you laughing

If this world makes you crazy

And you've taken all you can bear

You call me up

Because you know I'll be there

And I see your true colors

shining through

I see your true colors

And that's why I love you
